WHY YOU CAN FACE THE FUTURE WITHOUT FEAR

Someday your life on Earth is going to end, but that's not going to be the end of you. You're going to live forever in one of two places: heaven or hell. Your body is going to die, but you're not going to die, because you were made to last forever.

How long is forever going to last? Forever!

The Bible tells us why Christians should be the most confident about the future: "Therefore we are always confident and know that as long as we are at home in the body we are away from the Lord . . . We are confident, I say, and would prefer to be away from the body and at home with the Lord" (2 Corinthians 5:6, 8 NIV).

You will never know how to really live until you're ready to die. Only a fool would go through life totally unprepared for something that everybody knows is inevitable.

You're going to die someday. If you've accepted Christ, then you're going to go to heaven, to "live in the house of the LORD forever" (Psalm 23:6 NLT). In heaven, you'll be released from pain, sorrow, suffering, depression, and fear. "He'll wipe every tear from their eyes. Death is gone for good—tears gone, crying gone, pain gone—all the first order of things gone" (Revelation 21:4 The Message).

For Christians, death is a transfer, a promotion. It's on to better things and no more problems. Those truths should change everything for you! It doesn't mean life is going to be easy. And it doesn't mean you will always be happy, or always know what you should do, or that you will never sin again.

But it does mean you can face the future without fear. God has taken care of your biggest problem, your salvation. He is never going to leave you, and you will live with him forever!

**For we know that if the earthly tent we live in is destroyed, we have a building from God, an eternal house in heaven, not built by human hands.
2 Kor 5: 1 (NIV)**
